- (c) that unless the Charge indicates that he is the tenant or lessee of the Property, the Chargor is the absolute freehold owner of the Property with good title thereto and that there are no charges, mortgages, liens or other encumbrances, other than those hereby created, affecting the Property except for any liens and encumbrances that are registered against title to the Property in the applicable Registry Office at the time the Chargor signed this Charge; and
- (d) that the Chargor has the right to grant this Charge to the Chargee.

7. TAXES

Tax Account. The Chargor shall pay all Taxes promptly when due. If required by the Chargee, the Chargor will pay to the Chargee monthly, an amount which, in the opinion of the Chargee, is sufficient to enable the Chargee to pay the annual Taxes on behalf of the Chargor by the date the first instalment of Taxes for each year becomes due, based on the estimated annual Taxes and subject to adjustment based on Taxes actually levied. Such funds, when received by the Chargee, are herein referred to as the "Tax Account". The Chargee may, at its option, withhold a sufficient amount from the advance of the Loan to accumulate sufficient funds in the Tax Account to enable the foregoing. If at any time the amount in the Tax Account is not sufficient to pay all Taxes when due the Chargor shall promptly make up the difference on demand. The Chargee shall be under no obligation to pay any Taxes or instalments thereof and will not be liable for any damages or penalties that might result from its failure to do so. It is the responsibility of the Chargor to assure himself of the payment of Taxes by either himself or the Chargee. The Chargee shall not be deemed a trustee for the Chargor in respect of the Tax Account. If the Chargor is in default of its obligations hereunder, the Chargee has the right to use the Tax Account to repay all or any portion of the Indebtedness.

Administration by Chargee. Where the Chargee administers a Tax Account on behalf of the Chargor:

- (a) the Chargee shall allow the Chargor interest at not less than the prevailing rate published by the Royal Bank of Canada on personal savings deposits with chequing privileges on the minimum monthly balances standing in the Tax Account from time to time to the credit of the Chargor for payment of Taxes, such interest to be credited monthly to the Tax Account; and
- (b) the Chargor shall be charged interest at the rate of 2% above the Prime Rate on debit balances, if any, outstanding in the Tax Account after payment of Taxes by the Chargee, until such debit balance is fully repaid.

8. INSURANCE

Property Insurance. To secure the repayment of the Indebtedness, the Chargor shall have all the buildings and other constructions now or hereafter erected upon the Property (hereinafter in this Section collectively referred to as the "buildings") insured at their full replacement cost against loss or damage caused by fire and such other perils as are covered by standard extended coverage, both during and after construction, until such time as the Chargee is fully repaid all Indebtedness. If the Chargee so requires, the Chargor shall be further insured during said period against the risks of vandalism, floods, boiler explosions and any other risks designated by the Chargee from time to time, as well as against civil liability. If the Property generates rentals or revenues, the Chargor shall also maintain rental insurance in an amount equal to at least 12 months rental income. Prior to any disbursements whatsoever, the Chargor shall deliver to the Chargee certificates evidencing such insurance and if required by the Chargee, certified copies of the policies, and at least fifteen (15) days prior to their expiry he shall deliver proof of new policies or renewal of the existing policies. If said expiry results from the cancellation of said policies, the time allowed will be only five (5) days. The Chargee may, if it so desires, retain all policies in its possession. In any event, the insurer, and the terms of the insurance policies and their renewals, including the amount of any deductibles, shall be approved by the Chargee and the policies shall include the mortgage clauses approved by the Insurance Bureau of Canada confirming that loss proceeds are payable to the Chargee and that the Chargee has the right to receive and to have a lien on the loss proceeds in accordance with its priority established under this Charge. The Chargor hereby assigns to the Chargee all amounts payable under any of these policies. All such policies shall contain an undertaking by the insurer to notify the Chargee in

writing of any material change in, cancellation of, failure to renew or termination of such policy at least fifteen (15) days prior thereto. The insurance policies shall not contain a co-insurance clause. Upon the failure of the Chargor to fulfil these insurance obligations, the Chargee may, without prejudice to its other recourses and without notice or demand, effect such insurance contracts as it deems appropriate at the cost of the Chargor to be paid forthwith by the Chargor, failing which it shall be added to the Indebtedness and shall bear interest from the date paid by the Chargee at the Interest Rate until repaid and shall be secured by this Charge. In the event of loss or damage to the buildings, the Chargor shall promptly notify the Chargee and provide the Chargee with a copy of the detailed statement of damages as well as evidence that said statement has been sent to each of the insurers. The Chargor shall allow the Chargee to inspect the buildings. The Chargee may receive the insurance proceeds without the intervention or consent of the Chargor.

Insurance Proceeds. The Chargor shall remit to the Chargee forthwith any amount received by him from an insurer pursuant to an insurance contract described in this Section 8, up to the amount of the Indebtedness. The Chargee will have the right, at its sole discretion, to apply any proceeds of insurance wholly or in part to the following purposes:

- (a) to pay wholly or in part Taxes or any other indebtedness secured by charges or other encumbrances which have priority over the Indebtedness or this Charge; and/or
- (b) to reconstruct or repair the damaged buildings and pay for the work and materials relative thereto; and/or
- (c) to pay wholly or in part the Indebtedness secured hereby, whether or not then due including any amount the Chargor would have been required to pay upon a prepayment of the Indebtedness on such date in accordance with the terms of this Charge.

Chargee to Consent to Repair. No construction or repair work may be undertaken without the prior written consent of the Chargee. It is clearly understood, however, that by consenting to the Chargor effecting any reconstruction or repair the Chargee is in no way obligated to pay the costs thereof nor prevented from using all or part of said proceeds to pay the Indebtedness or any part thereof or to pay any other party whose security interest ranks prior to its own. The Chargee may, at its option, undertake any such reconstruction or repair of the damaged buildings. Any proceeds applied to pay all or any part of the Indebtedness shall only be regarded as being so applied when the Chargee has decided to so apply them.

9. MAINTENANCE AND REPAIR

The Chargor shall maintain the Property in a good state of maintenance and repair as would a prudent owner, and in compliance with all Applicable Laws. The Chargor may not alter or demolish or allow any other party to alter or demolish the Property without the prior written consent of the Chargee. The Chargee or any Person designated by the Chargee shall be at liberty to inspect the interior or the exterior of the Property and/or to conduct a site assessment or investigation to determine if there has been a breach of any Applicable Laws, including, without limitation, any Applicable Laws concerning environmental protection. The Chargor shall pay the cost of any such inspection or site assessment to the Chargee promptly upon demand, failing which it shall be added to the Indebtedness and shall bear interest from the date paid by the Chargee at the Interest Rate until repaid and shall be secured by this Charge. The exercise of any of the powers enumerated in this section shall not result in the Chargee or any designee conducting such inspection, assessment or investigation being deemed to be in possession, management or control of the Property.

The Chargor shall comply with all Applicable Laws that apply to the Property or the use or occupation thereof, including, without limitation, those relating to zoning, land use, health, safety and environmental protection. Chargee's Rights on Default. If a Default occurs, the Chargee shall have no obligation to make any further advances and may, at its option, do any one or more of the following:

- (a) demand immediate repayment of the Indebtedness, in which case all Indebtedness will become immediately due and payable and, to the extent permissible under Applicable Laws, the prepayment provisions set out in this Charge will apply as if the Chargor had elected to prepay the Indebtedness at such time;
- (b) subject to Applicable Laws, take such action as is necessary or desirable to collect the Indebtedness or any portion thereof;
- (c) enter upon and take possession of the Property and any personal property thereon;

- (k) take any other action and exercise any other remedies which are described elsewhere in this Charge or the other Loan Documents or which are available to the Chargee under Applicable Laws upon a default by the Chargor including without limitation, non-judicial foreclosure.

Additional Payments. Where a prepayment or redemption takes place following a Default hereunder by the Chargor, there shall, coincident therewith, be due and owing to the Chargee, to the extent permissible under Applicable Laws, any amount which would have been payable by the Chargor had he elected to prepay the Indebtedness pursuant to the prepayment provisions set out in this Charge at the time of such prepayment or redemption.

Payment of Chargee's Costs When Default is Remedied. If the Chargor avails himself of the right to remedy any Default, he shall pay all costs then incurred by the Chargee, and such costs shall include, without limitation, all administrative costs incurred by the Chargee by reason of the Default and all legal fees (determined on a solicitor and client full indemnity basis) and fees paid to experts.

The Chargor agrees that he will not interfere with the Chargee's or any Receiver's possession of the Property.

Accounting for Monies Received. The Chargee shall only be required to account to the Chargor for any monies actually received by the Chargee in connection with the Property.

Payment of Chargee's Costs and Expenses. If a judgment is obtained from a Court concerning some or all of the Indebtedness or obligations, the remaining Indebtedness or obligations will not be extinguished, superceded or discharged nor will the Chargee be prevented from exercising any of its remaining rights under this Charge, any other Loan Document or under Applicable Laws.

Deficiency After Sale. To the maximum extent permitted by Applicable Laws, the Chargor shall remain liable for payment to the Chargee of all of the Indebtedness, notwithstanding that the Chargee may have exercised one or more of its remedies under this Charge including, without limitation, sale of the Property.

23. APPOINTMENT OF RECEIVER

Appointment of Receiver. Upon Default, the Chargee or the Chargee as agent or attorney for the Chargor (with such appointment not being revocable by the Chargor), with or without entering into possession of the Property or any part thereof, may appoint in writing a Receiver and may remove any such Receiver and appoint a new Receiver in the place and stead of any previously appointed Receiver.

Powers of Receiver. Subject to Applicable Laws, the Receiver:

- (a) will be deemed to be the Chargor's irrevocable agent or attorney, vested with all rights, powers and discretions of the Chargor, and the Chargor will be solely responsible for the Receiver's acts or omissions and for the Receiver's remuneration and expenses;
- (b) has power, in the Chargor's name or in the name of the Chargee, to take possession of the Property, to demand, recover and receive income from the Property and to start and carry on any action or court proceeding to collect that income;
- (c) may lease or sublease the Property or any part of it on terms and conditions that the Receiver chooses, including without limitation, the payment of tenant inducements, and

for that purpose execute contracts in the name of the Chargor, which contracts will be binding on the Chargor;

- (d) may make arrangements for the completion of the construction of or repair any improvement on the Property, notwithstanding that the resulting cost may exceed the Principal Amount;
- (e) may manage the Property and maintain it in good condition;
- (f) has the power to perform, in whole or in part, the Chargor's duties under the terms of the Loan Documents;
- (g) has the power to do anything that, in the Receiver's opinion, will maintain and preserve the Property or will increase or preserve the value or income potential of the Property; and
- (h) has the power to exercise any of the Chargee's rights and remedies referred to in Section 21 hereof.

Use of Income by Receiver. Neither the Receiver nor the Chargee shall be liable to the Chargor to account for monies other than monies actually received by it, in respect of the Property. From income received from the Property, the Receiver may, subject to Applicable Laws, in any order the Receiver chooses, (i) retain enough money to pay or recover the cost to collect the income and to cover other disbursements; (ii) retain its commission, fees and disbursements as receiver; (iii) pay all Taxes and the cost of maintaining the Property in good repair, completing the construction of any building or improvement on the Property, supplying goods, utilities and services to the Property, insuring the Property and taking steps to preserve the Property from damage by weather, vandalism or any other cause; (iv) pay any money for matters required to be paid by the Receiver under Applicable Laws, or that might, if not paid, result in a default under any charge or encumbrance having priority over this Charge or that might result in the sale of the Property if not paid; (v) pay taxes in connection with anything the Receiver is entitled to do under this Charge; (vi) pay all or part of the Indebtedness to the Chargee whether or not it is due and payable; and (vii) pay any other money owed by the Chargor under this Charge and the other Loan Documents.

Receiver May Borrow. The Receiver may borrow money for the purpose of doing anything the Receiver is authorized to do. Any money borrowed by the Receiver from the Chargee and any interest charged on that money and all the costs of borrowing will form part of the Indebtedness and will bear interest at the interest rate and shall be paid with the frequency provided under the applicable terms under which such money was borrowed.

Receiver's Costs and Expenses. The fees and disbursements of the Receiver, if paid by the Chargee, shall form part of the Indebtedness and will bear interest at the Interest Rate from the date paid by the Chargee and shall be secured by this Charge.

Chargee Not Responsible. Nothing done by the Receiver under this Section 23 shall render the Chargee a mortgagee in possession, and the Chargor hereby releases and discharges the Chargee and every Receiver and each of their respective successors and assigns from every claim of every nature, whether for damages for negligence or trespass or otherwise, which may arise or be caused to the Chargor or any Person claiming through or under the Chargor by reason or as a result of anything done by the Chargee or any Receiver under the provisions of this Charge. The Chargor hereby agrees to ratify and confirm all actions of any Receiver taken or made pursuant to this Charge and agrees that neither the Receiver, the Chargee nor their respective successors and assigns will be liable for any loss sustained by the Chargor or any other Person from such actions or failure to act.

24. LEASEHOLD PROVISIONS

This Section 24 applies if the Chargor is a tenant or lessee of the Property.

Definition. For the purposes of this Section 24, "Lease" means a lease or a sublease pursuant to which the Chargor has a leasehold interest in the Property.

Representations. The Chargor represents that:

- (a) the Property is leased to him under a valid Lease (a copy of which has been provided to the Chargee);
- (b) that the Chargor has a good leasehold title to the Property free and clear of all mortgages, liens, charges and encumbrances other than liens registered against the leasehold title to the Property in the applicable Registry Office at the time the Chargor signed this Charge;
- (c) all rents and other moneys payable under the Lease have been paid and the Chargor has complied with all of his obligations set out in the Lease, in both cases up to the date the Chargor signed this Charge; and
- (d) the Chargor has the right to charge and sublet the leasehold title to the Property to the Chargee as set out in this Charge and, if required, has obtained the lessor's unconditional consent to this Charge (or if such consent has been issued under conditions, the Chargee has agreed to same, in writing) and any such consent is in writing and has been provided to the Chargee.

Covenants. The Chargor also covenants and agrees as follows:

- (a) that the Lease will at all times while this Charge is not discharged, be a valid lease in full force and effect;
- (b) the Chargor will not amend, surrender or modify the Lease without written consent of the Chargee and will pay the rents and other payments required by the Lease as they fall due and perform and observe the covenants and other obligations contained in the Lease on the lessee's part to be performed;
- (c) the Chargor will renew the Lease when the Lease gives the Chargor that right so that the term of the Lease will continue at all times while this Charge is not discharged;
- (d) the Chargor will promptly give the Chargee a copy of any notice, demand or request which the Chargor may receive relating to the Lease;
- (e) the Chargor will, at his cost, upon request by the Chargee, obtain and deliver to the Chargee estoppel certificates from the lessor under the Lease in form and content satisfactory to the Chargee;
- (f) the Chargor will sign any other document or take any further action as the Chargee may reasonably require, to ensure that all of the Chargor's interest in the Property and in the Lease have been fully charged to the Chargee and that the Indebtedness is adequately secured;
- (g) the Chargor shall indemnify the Chargee and its successors and assigns against all actions, claims, costs (including legal costs, and on a solicitor and client full indemnity basis), demands and liabilities which the Chargee and its successors and assigns may suffer or sustain by virtue of any default by the Chargor under the Lease, and the Chargor agrees that this indemnity shall survive the exercise of any rights and remedies of the Chargee hereunder including foreclosure and shall survive the repayment of the Indebtedness and/or the discharge of this Charge;
- (h) the Chargor will stand possessed of the Property for the last day of the term or any renewal term granted by the Lease in trust for the Chargee;
- (i) at the Chargee's request, the Chargor will transfer to the Chargee (or to any other Person to whom the Chargee transfers the Chargor's interest in the Property) the last day of the term of the Lease or of any renewal;
- (j) the Chargor hereby appoints the Chargee as his attorney so that the Chargee, on his behalf and in the name of the Chargor, may assign the Lease and the last day of the term of the Lease or of any renewal and convey the Chargor's interest in the Property as the Chargee may require to perfect any transfer made under the default provisions of this Charge; and

- (k) if the Chargor acquires the lessor's interest in the Property (whether by exercising any option to purchase there may be in the Lease or any renewal thereof or otherwise), this Charge will automatically extend to such interest and the Chargor agrees that at the Chargee's request the Chargor will deliver to the Chargee a new charge against such additionally acquired interest substantially on the same terms and conditions as those set forth in this Charge.

25. STRATA/CONDOMINIUM PROVISIONS

This Section 25 applies if the Property is or becomes a strata or condominium property created under Applicable Laws.

Compliance with Strata/Condominium Rules. The Chargor shall comply with all of the terms and conditions of the declaration pertaining to the Property as same may be amended from time to time (the "Declaration") together with all rules, regulations and by-laws relating thereto as well as all orders and resolutions passed at meetings of the strata/condominium corporation (together with the Declaration, collectively, the "Constituting Documents").

Expenses and Taxes. The Chargor shall pay promptly when due his share of all common expenses, levies and administrative charges in the amounts determined by the board of directors of the strata corporation or condominium corporation (hereinafter the "strata/condominium corporation"); if any such payments are not made when due and regardless of any other action or proceeding taken or to be taken by the strata/condominium corporation, the Chargee may make such payments on behalf of the Chargor pursuant to Section 14 hereof.

Voting Rights. The Chargor authorizes the Chargee in the Chargor's name and on the Chargor's behalf, to exercise all rights under Applicable Laws and the Constituting Documents to vote at any meeting (or to vote otherwise than at any meeting) of the strata/condominium corporation, and to consent to anything having to do with the management, sale or other dealings with the Property or assets of the strata/condominium corporation. This authorization includes voting on or any consent to the termination of the strata/condominium corporation. Notwithstanding this authorization, the Chargee may choose not to vote or not to consent at any particular time or on any particular issue. Until the Chargee gives notice to the Chargor and/or the strata/condominium corporation that the Chargee intends to exercise its right to vote or consent, the Chargor may vote or consent. Any notice the Chargee gives may be for an indeterminate or limited period of time, or for a specific meeting or matter. The Chargee shall not be under any obligation to exercise such rights, even though notice may have been given of its intention to do so and shall not be liable to the Chargor or any other Person for the manner in which such rights are exercised or for the failure to exercise same.

Insurance.

- (a) At the request of the Chargee, the Chargor shall obtain and deliver to the Chargee a certificate of insurance issued under the master insurance policy placed by the strata/condominium corporation in accordance with the terms of the Declaration and showing the Chargee as mortgagee.
- (b) In addition to the insurance maintained by the strata/condominium corporation, the Chargor will insure all improvements which have been or at any future time are made to the dwelling unit charged herein and, as well, insure against such additional risks as may be required by the Chargee, will provide the Chargee with certified copies of every such insurance policy naming the Chargee as loss payee and, not less than 15 days before any policy expires, evidence of its renewal. If any loss or damage occurs the Chargor will immediately, at its expense, do everything necessary to enable the Chargee to obtain the insurance proceeds. These proceeds may, at the option of the Chargee, be applied in whole or in part to repair the damage, be paid to the Chargor, or be applied to reduce any part of the Indebtedness whether or not yet due, in which latter case, to the extent permissible by Applicable Laws, the prepayment provisions set out in this Charge will apply as if the Chargor had elected to make a prepayment at such time. The obligation to insure the entire structure of which the Property forms part may be performed by the strata/condominium corporation and the proceeds of such insurance may be payable in accordance with the Constituting Documents related thereto. Upon the occurrence of loss

or damage, the Chargor will fully comply with the terms of all insurance policies and with the insurance provisions of such Constituting Documents.

Notices and Other Documents. At the request of the Chargee, the Chargor will give the Chargee copies of all notices, financial statements and other documents given by the strata/condominium corporation to the Chargor.

Chargee May Require Payment. At the option of the Chargee, and subject to compliance with Applicable Laws, there is a Default if:

- (a) governance of the property of the strata/condominium corporation under the Constituting Documents is terminated or wound up;
- (b) a vote of the strata/condominium owners authorizes the sale of the property of the strata/condominium corporation or of a material part of its common property (or common elements);
- (c) the strata/condominium corporation fails to comply with Applicable Laws or the Constituting Documents;
- (d) the strata/condominium corporation fails to insure the strata/condominium units and common property (or common elements) against destruction or damage by fire and other perils usually insured against for full replacement cost; or
- (e) the strata/condominium corporation fails, in opinion of the Chargee, to manage its property and assets in a careful way or to maintain its assets in good repair.

Chargee Not Responsible. Nothing done by the Chargee or its agents under this Section 25 will make the Chargee a mortgagee in possession.

26. EXPROPRIATION

Prepayment of Indebtedness. In the event of a prepayment of all or any portion of the Indebtedness as a result of an expropriation of all or part of the Property, the prepayment provisions set out in this Charge will apply as if the Chargor had elected to make a prepayment of the amount prepaid at such time.

Expropriation of the Property. In the event of the expropriation of all or substantially all of the Property the Indebtedness will, at the option of the Chargee, become immediately due and payable together with any applicable prepayment charge. All amounts received by the Chargor in connection with such expropriation shall, to the extent of the Indebtedness and such prepayment charge, be paid to the Chargee and until so paid shall be deemed to be held by the Chargor in trust for the Chargee.

Partial Expropriation. In the event of the expropriation of only a portion of the Property, all amounts received by the Chargor in connection with such expropriation shall, at the option of the Chargee, be paid to the Chargee to be credited towards the Indebtedness and any applicable prepayment charge in respect of such amount. Until such amounts have been paid to the Chargee they shall be deemed to be held by the Chargor in trust for the Chargee. If the Chargee, in its sole discretion, is of the view that the remainder of the Property is inadequate security for the remainder of the Indebtedness, then the Chargee may declare all the Indebtedness together with any applicable prepayment charge immediately due and payable.

27. ADVANCES AND READVANCES UNDER CHARGE

Neither the preparation, execution nor registration of this Charge shall bind the Chargee to advance the Principal Amount intended to be secured hereby, nor shall the advance of a part of the Principal Amount bind the Chargee to advance any unadvanced portion thereof, but nevertheless the charges hereby created shall take effect forthwith upon the execution of this Charge by the Chargor. This Charge and the charges granted herein shall operate until all the Indebtedness is fully paid to the Chargee and all covenants of the Chargor herein have been performed in full, in each case in the manner contemplated herein and until the Chargee has delivered a complete discharge hereof in writing to the Chargor. This Charge shall not cease to

operate although the Chargor may not be indebted to the Chargee at any time and the Chargee may accept repayment of all or a portion of the Indebtedness and may allow the Chargor to reborrow the amounts previously paid to the Chargee, and this Charge and the charges, mortgages, assignments, security interests and liens granted herein shall stand as security for all such amounts borrowed and reborrowed, whether or not the Indebtedness has at any time been reduced to zero.

28. RENEWAL AND AMENDMENT OF CHARGE

Registration of Agreements Not Required. Any agreement in writing between the Chargor and the Chargee after the date of this Charge, relating to the payment of the unpaid Indebtedness, or to the Interest Rate, or to both, or any other matter, need not be registered in any Registry Office. Such agreement shall be effective and binding on the Property and upon the Chargor, the Chargee and upon any subsequent encumbrancer or transferee of the Property to the same extent and effect as if such agreement in writing had been executed, delivered and registered in the appropriate Registry Office prior to the making of such subsequent encumbrance or transfer.

No Implied Agreement. No agreement for renewal hereof or for extension of time for payment of the Indebtedness hereunder shall result from, or be implied from, any payment or payments of any kind whatsoever made by the Chargor to the Chargee after the expiration of the Term or of any subsequent term.

29. PRINCIPAL FAMILY RESIDENCE

Consent of Spouse. Any spouse who is signing the Charge Form consents to the granting of this Charge by the Chargor and releases to the Chargee any claim or interest that the spouse has or may have in the Property under Applicable Laws as far as such release is necessary to give effect to the Chargee's rights under this Charge.

Change in Marital Status. If the Chargor is not married at the time of execution of this Charge, but marries thereafter with the result that the Property becomes a principal family residence or if the Property becomes a principal family residence under Applicable Laws or by reason of the registration of a declaration of family residence or of a judicial award, the Chargor agrees that he will forthwith notify the Chargee of same and cause his spouse to subordinate to the rights of the Chargee all of such spouse's rights in the Property as the principal family residence, by signing a written agreement in the form required by the Chargee.

30. FEES PAYABLE BY CHARGOR

Chargee's Fees and Expenses. The Chargor shall promptly pay all lawyers' and experts' fees related to this Charge and every renewal or amendment thereof, including, without limitation, fees related to any examination of title to the Property, as well as any costs of evaluation, any survey fees and any costs pertaining to mortgage insurance and/or title insurance, if applicable. The Chargor shall also pay any costs and expenses incurred by the Chargee in responding to any court actions, directives, orders, notices or requests for information brought against the Chargee as a result of or relating to this Charge.

Chargee's Administrative Fees. The Chargor shall also pay an administration fee to the Chargee for every dishonoured cheque or preauthorized cheque debit. The fee will automatically be debited to the Chargor's Tax Account balance, or sundry account, or added to the pre-authorized cheque debit upon reissue unless a separate payment of such administration fee is received with a replacement cheque. The Chargee also reserves the right to charge reasonable fees in accordance with industry standards for other administrative services such as, but not limited to, discharges, assumptions, transfers, payment frequency changes, mortgage statements, etc. and the Chargor agrees to pay such fees. These fees may vary from time to time and will be published in the Chargee's schedule of fees, which may be obtained by the Chargor upon request.

31. INSURED INDEBTEDNESS

In the event that all or any portion of the Indebtedness is insured by a mortgage insurer in favour of the Chargee, the contractual relations between the Chargee and the mortgage insurer will be taken into account before effecting any disbursement of funds, or before acceptance of any purchaser or transferee of the Property can become valid, even if already accepted by the

Chargee. If this Charge is insured by CMHC, it shall be deemed to be made pursuant to the *National Housing Act*, R.S.C. 1985, c. N-11 (as amended from time to time).

32. GENERAL CONDITIONS

Assignment. The Chargor may not assign or transfer the rights that he has or may have to any advance of the Loan without the prior written permission of the Chargee.

No Partial Discharge. The Chargor shall not be entitled to obtain a partial discharge of the Property in the event the Property is subdivided and sold notwithstanding that the Chargee has been paid the sale proceeds thereof.

Pre-Authorized Payments. The Chargor explicitly authorizes the Chargee to withdraw from any bank account in his name, details of which have been provided to the Chargee in accordance with a pre-authorized chequing plan, the sums necessary to satisfy the payments the Chargor must make by virtue of this Charge as well as the life insurance premiums related to same, if applicable.

Investment of Funds. The Chargee shall be at liberty to deposit any monies or instruments received or held by it pursuant to this Charge in a non-interest bearing account or invest them, without having to comply with any legal provisions concerning the investment of the property of others, in any certificate of deposit issued by an institution chosen by the Chargee, for any term which it may choose.

Limited Responsibility of Chargee. The Chargee is only liable to the Chargor or any Guarantor for the Chargee's or its employees' wilful misconduct or gross negligence.

Right to Delegate. The Chargee shall be at liberty to delegate to any Person or Persons the exercise of its rights, actions or the performance of any covenant resulting from this Charge or under Applicable Laws; in such case the Chargee is hereby authorized to supply such Person with any information it holds relating to the Chargor or the Property.

Power of Attorney. In consideration of the making of the Loan to the Chargor, the Chargor hereby grants to the Chargee, with full power of substitution, an irrevocable power of attorney of the Chargor coupled with an interest to carry out any and all acts and to execute any and all deeds, instruments or other documents which it may deem useful in order to exercise its rights. The Chargor ratifies in advance all actions of the Chargee pursuant to such power of attorney and confirms that the Chargee is not liable for any loss sustained by the Chargor or any other Person resulting from any such action or failure to act.

Rights and Remedies. The acceptance by the Chargee, as a result of default on the part of the Chargor, of all or part of the sums to which it is entitled, or the exercise by the Chargee of any right or remedy, shall not be held to preclude it from exercising any other right or remedy; all rights and remedies accruing to the Chargee are cumulative and not alternative.

Assignment by Chargee. The Chargor and each Guarantor, if any, acknowledges that this Charge (or security certificates backed by or representing any interest in this Charge or a pool of loans which includes this Charge) may be assigned by the Chargee to a third party or may be sold or securitized into the secondary market without restriction and without notice to or consent of the Chargor or any Guarantor. The Chargor and each Guarantor hereby irrevocably consents to the release and disclosure of any financial or other information concerning the Chargor, each Guarantor, the Property and the Loan in the course of any such assignment, sale or securitization.

Notices to Chargor. Any notice to or demand upon the Chargor shall be given or made at his ordinary place of business or usual residence set out on the Charge Form or at the address of such other place of business or usual residence or electronic address of which the Chargor shall have notified the Chargee in writing.

Place of Payment. All payments must be made at the place of business of the Chargee, in lawful money of Canada at 100 University Avenue, Suite 700, North Tower, Toronto, Ontario, Canada, M5J 1V6, or at such other place as the Chargee may from time to time indicate to the Chargor.

Joint and Several. Should the Loan be granted to several Persons, each of them is jointly and severally liable to the Chargee for all the Indebtedness and the performance of all the obligations under this Charge and the other Loan Documents. The same holds for all Persons who will assume the repayment of the Indebtedness and the performance of such obligations.

Severability. In the event that any provision of this Charge shall for any reason be held by a court of competent jurisdiction to be invalid, illegal, or unenforceable for any reason, such invalidity, illegality or unenforceability shall not affect any other provision hereof and this Charge shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

No Amendments and Waiver. No amendment to this Charge shall be valid or binding unless set forth in writing and agreed to by the Chargor and Chargee. No waiver of any breach of any provision of this Charge will be effective or binding unless made in writing and signed by the Chargee and, unless otherwise provided in the written waiver, will be limited to the specific breach waived. No delay or failure by the Chargee in the exercise of any right under this Charge or any other Loan Document shall operate as a waiver thereof.

Successors and Assigns. This Charge binds the Chargor, the Chargor's spouse (if such spouse is signing the Charge Form), the Guarantor and their respective heirs, personal representatives, successors, executors, administrators and assigns and any successor in title with respect to the Property. The rights hereby conferred upon the Chargee shall benefit the Chargee and its successors and assigns.

References to First National Financial LP. All references to First National Financial LP in this Charge and the other Loan Documents shall mean First National Financial LP or its successors or assigns, as the case may be.

Further Assurances. The Chargor agrees to execute such further assurances of title to the Property as may be required by the Chargee and to do all things and execute such additional documents as the Chargee reasonably requires to ensure that all Indebtedness and other obligations of the Chargor to the Chargee remain secured by this Charge, that this Charge has priority over any other claim, charge, mortgage, lien or other encumbrance on or against the Property, except as may be otherwise agreed by the Chargee, and otherwise to give full effect to the intent of this Charge.

Conflicts Between Documents. If there is a conflict or inconsistency between any provision of this Charge and any other Loan Document, the Chargee shall be entitled to choose which provision will prevail.

Interpretation. The words "hereto", "hereof", "hereby", "hereunder" and similar expressions refer to the whole of this Charge and not to any particular paragraph or portion hereof and extend to and include any and every document supplemental or ancillary hereto or in implementation hereof. Words importing the masculine gender include the feminine and neuter genders and words in the singular include the plural, and vice-versa, where the context so requires. The headings do not form part of this document and have been inserted for convenience of reference only.

33. CASH-BACK PROMOTION

If the Chargor received a cash incentive (the "**Cash-Back Amount**") to enter into the Loan (and notwithstanding that the Interest Rate hereunder may be higher as a result thereof), then the Chargor will repay to the Chargee all or part of the Cash-Back Amount based on the formula hereinafter set out if any of the following events (the "**Triggering Events**") occur prior to the expiry of the original Term of this Charge:

- (a) the Chargor sells the Property, prepays all or part of the Indebtedness, early renews or refinances this Charge or arranges for the assignment of this Charge to another chargee; or
- (b) the Chargee accelerates prepayment of the Indebtedness because of a default by the Chargor.

The amount that the Chargor must repay (the "**Repayment Amount**") if any Triggering Event occurs will equal:
